

Come and join us for a weekend of sacred circle dance. Let our turning and changes of direction lead us wherever it needs to

Purley Chase Centre

This beautiful retreat centre in the heart of Warwickshire, is set in 7 acres of beautiful grounds and trees.

It can accommodate 60 people, 27 of these in the new annexe with en-suite rooms. Tea and coffee making facilities are available in bedrooms.

Whilst eating in the dining area, you can enjoy beautiful views of the grounds and wildlife.

There are several meeting rooms, two of which include the latest audio visual equipment. Other facilities include a lounge, games room, quiet room, library, conservatory and book shop. For those young at heart there is a magnificent outdoor play area.

The centre has full access for those less able bodied, including adapted en-suite accommodation and a lift.

How to get there:

Take the A5 from the M6 or M42 towards Nuneaton. After Atherstone turn right off the large roundabout onto the B4111 towards the small village of Mancetter (¼ mile). Turn right in Mancetter just past the Church signed to Purley Chase Golf Club. Over traffic light controlled bridge, follow road round to right signed Steppey Lane, up the hill through an archway of trees, and the centre is on your right after ¼ mile.

If travelling by public transport, see details on the web site or ring the Centre for advice.

Sacred Dance Weekend

TURNING POINTS

4th - 6th June
2010

Leaders:

Patricia Russell
Rita Russell

Dear Dancers,

Sacred Dance is a way of celebrating the still point which we share at the centre of the turning circle. In our daily lives we encounter turning points, - times when a change of direction or perspective is called for - times when we rest in the balance between what was and is and is to come.

This weekend of circle dancing will be another opportunity to be aware of the turning of the circle and the stillness of the centre as the dancing steps reflect the turning points in our own lives now.

This weekend is designed to provide joyful dances, contemplative movement and a sharing in the united community of the dancing circle.

Patricia and Rita.

Meet our Leaders:

Patricia is a very experienced circle dance teacher with a regular circle dance group in North Manchester. She brings her own special joyful energy to the circle and enjoys facilitating prayerful centring through the dance. Her work during the week is as a GP and homeopath.

Rita has been circle dancing for over twenty years and co-leading dance weekends since 1995. Her dance repertoire is extensive, having danced with experts from around the world. She uses her musical gifts and skills as a teacher to encourage others to experience the spirituality and power of the sacred dances.

Who is it for?

Anybody who enjoys dancing in a circle. Experience is not necessary and there is no need for a partner.

't will be our delight,
Til by turning turning
We come round right.' ...**
